

AIR CONDITIONERS

The Ameristar line of heating and cooling products offer you flexible and affordable options for HVAC equipment replacement. The Ameristar product line should complement the national brand you are selling and provide an opportunity to capture additional volume and market share with today's budget-conscious consumers.

- Available in a 13 SEER (R-22 Dry Ship & R-410A) model.
- Painted, galvanized steel cabinets resist rust and stand up to weather.
- Units operate quietly, with a maximum sound level of 76 decibels.
- The compact design and small footprint are ideal for homeowners with limited yard space.
- 24V low-voltage control provides added safety.

THE FEATURES YOU NEED AT A PRICE YOU CAN AFFORD.

Compact and quiet, with the power and features you need, Ameristar air conditioners are value-priced to fit your budget.

Offer your customers control over their system with a programmable thermostat.

SEER stands for seasonal energy efficiency ratio, which measures how efficiently an air conditioner or heat pump can cool your home in the summer. The higher the SEER, the less energy you'll use to maintain pleasant temperatures.
